Access Services' Highest Honor Awarded To St. Jerome's Youth Group

St. Jerome's Youth Group was awarded the John Fox, Jr. Award at the organization's Annual Awards Event held Friday, March 3rd, 2006, at Candlelight Reception and Conference Center in Bethlehem, PA.

The John Fox, Jr. Award is given annually to an individual or a group who makes a significant contribution to the persons served by Access Services. John Fox, Jr. was one of the first people to be served by Access Services over twenty-five years ago. After his death, this award was created in his memory.

We would like to recognize and honor the Youth Group at St. Jerome's Roman Catholic Church for their generosity and true spirit of giving and helping others. They work hard all year to raise money with car washes, bake sales and activities so that they can provide Christmas gifts for teenagers that are less fortunate than themselves. These wonderful young people serve as an inspiration to all of us!

For 30 years, Access Services, a non-profit organization has an excellent reputation of empowering, serving and enhancing the lives of children and adults with special challenges by providing planned and creative supports in their homes and communities. It is because of our dedicated staff and community people like those at St. Jerome's Youth Group that we are successful.
