Access Services Lehigh Valley Office Relocation

After residing at the Farr Building in historic Bethlehem since 1984, we are pleased to announce that due to expansion we are re-locating to a larger facility effective 4/1/05.

The new location is in the Lehigh Valley Corporate Center off of Route 22, Exit 1 at Schoenersville Road. The new address is 1510 Valley Center Parkway, Suite 130 and an Open House is planned for later in the year.

Encompassing the cities of Allentown, Bethlehem, and Easton, the Lehigh Valley Region of Access Services is positioned to provide services to individuals with developmental disabilities residing in Lehigh, Northampton, and Berks Counties. The Lehigh Valley office serves over 225 children and adults with special needs through its community-based, residential, support, and enhanced behavioral health services.

The staff and associates at Access Services realize that everyone needs to be provided with the opportunity to learn, grow, and become a contributing and valued member of their community. All programs are structured to meet individuals where they are developmentally and assist them to take the steps necessary to meet their own personal goals. Consumers are encouraged to reach their highest levels of independence in safe, and structured environments within their home community. The Lehigh Valley region is strongly committed to providing services that foster individual development, enhance self-worth, and create opportunities for positive community interactions.
