

Integrate for Good

Announcing an innovative, brand-new opportunity for nonprofit organizations serving Montgomery County!

Integrate for Good is a creative initiative designed to enhance civic engagement and volunteerism among individuals of **all** abilities. We are looking for nonprofit organizations who are interested in connecting to new supporters and volunteers.

Opportunities for Nonprofit Organizations in Montgomery County

- Learn how to capitalize on the talents and contributions of individuals of all abilities.
- Receive ongoing remote and on-site support to expand your volunteer opportunities to include individuals with disabilities.
- Be included in our Montgomery County volunteer opportunity directory.
- Receive an invitation to our volunteer fairs where you can recruit new supporters for your work.
- Meet with our staff for free, personalized training regarding how you can diversify and strengthen your volunteer base.
- Receive extensive publicity for your organization and mission through print, digital and social media as an Integrate for Good partner.
- Network and learn from the experiences of other non-profit organizations
- And all of these benefits are FREE to you! Integrate for Good is federally funded through the PADDCC and supported by Access Services.

We believe Montgomery County is stronger when the talents and contributions of **all** of its members can be realized and captured.
