

## **Bucks County Children's Mobile Crisis Support**

From all of us at Access Services, it has been our privilege to serve children and families in Bucks County who experience crisis. Bucks County has decided to pursue a single provider of mobile crisis services for both children and adults. We applaud this decision, as we believe it can benefit the community.

Beginning **July 1, 2018**, Lenape Valley Foundation will be the single crisis provider serving all Bucks County members, and Access Services will no longer provide children's crisis response. The hotline number to request crisis support ***will not change*** (**1-877-HELP-709** or **1-877-435-7709**). We will partner closely with Lenape Valley Foundation to support this transition.

Lenape Valley Foundation's Adult and Children's Mobile Crisis Services looks forward to providing mobile crisis support to all ages starting **July 1, 2018**. Lenape Valley Foundation is committed to providing uninterrupted mobile crisis services to Bucks County residents of all ages during this transition.

We have enjoyed our connections and relationships and thank you for your support. We hope to continue these through other services.
