ACCESS SERVICES
Creating better ways to serve
people with special needs

On April 2, 2020, Access Services hosted an Autism Awareness Day Webinar, featuring Ben Hartranft, Autism Ambassador. Out of that initial effort, Ben has teamed with Jamiel Owens to keep the autism awareness conversation going and highlight resources through a weekly webinar. Each Friday night at 7pm they co-host **The Ben and J Show** featuring a special guest and topic.

Please consider sponsoring a weekly episode of the Ben and J Show with a financial gift of \$100 or a gift-in-kind that can be used in a raffle for audience members. If you can offer a service, food or a gift card, that would be a great in-kind donation that we can share with our audience. Financial gifts are tax-deductible.

Sponsor benefits:

- Promotion of your business – it will be marked and mentioned on the show as well as in social media promotion.
- Visibility as a ‘good neighbor’ in your community, building the reputation of the business.
- Connection to the featured guests and interested constituents who tune in to the program.

Please contact Ben to learn more about the program. You may also donate directly online at: www.accessservices.org/donate
