BACK TO SCHOOL NEWS!!

Written by Mrs. Kukoski

We are so excited to start off the 2022-2023 school year as ACCESS LEARNING ACADEMY! (Check out our new school signs!) We are starting a new thing this year - a monthly newsletter! Newsletters inform students, parents & guardians about anything and everything school related: school activities, policies, news, schedule changes, updates, events, performances, student awards, and community happenings. Keep an eye out for our newsletters!

We had a GREAT first week of school!

Students were welcomed back to school and introduced to our school theme for the year - F.I.E.S.T.A.!

This year our goal and message is to encourage growth and positive change through experiences and building/fostering relationships both within our school community and in the larger surrounding communities.
